CHARINGWORTH®

About Us

Located in the heart of England, Charingworth is within an area of outstanding natural beauty called The Cotswolds. Our company manufactures well balanced, well-proportioned, timeless cutlery designs.

The designs encompass both English and European heritage, reflecting many traditional design features, whilst modernising and improving the design in both shape and use of manufacturing techniques. Our craftsmanship produces soft edged handles which are lovely to hold. The highly polished stainless steel is procured only from the most consistent and technically advanced steel mills, ensuring your cutlery is corrosion resistant and will stand the test of time.

We believe good cutlery enriches the dining experience and helps bring the table alive. Our design process is meticulously detailed, ensuring every pattern looks and feels good in the hand and mouth. We inspect every piece by hand to give our customers complete confidence in the quality of their purchase.
